

## It's not too late! Join the donor list today!

We are truly grateful for the following alumni, friends, family, and corporations for their support of the *Honoring Our Past, Building our Future* campaign. Although our new home is built, we have a long way to go to ensure our mortgage debt is reduced for our youngest members. Add your name to the donor list today.

Each donor contributing \$2,500 or more will be recognized on a prominently displayed plaque and all donors who give \$1,000 or more will be recognized in campaign publications unless otherwise requested. If you feel there has been an error made in recording your gift, we sincerely apologize. Please contact our campaign coordinator at (785) 843-1661 with any corrections. Thank you for your support of Alpha Gamma!
